## **HONORARY AUDITORS REPORT TO THE MEMBERS OF GURDWARA SAHIB KAJANG**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of GURDWARA SAHIB KAJANG, which comprise the balance sheet as at 31 December 2009, and the income statement, statement of changes in fund and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information as set out on pages 5 to 12.

#### *Committee Members' Responsibility for the Financial Statements*

The Committee Members of the Gurdwara are responsible for the preparation and fair presentation of these financial statements in accordance with applicable accounting standards; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### *Honorary Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Committee Members, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### *Opinion*

In our opinion, the financial statements have been properly drawn up in accordance with applicable accounting standards in Malaysia so as to give a true and fair view of the financial position of the Gurdwara as at 31 December 2009, and of its financial performance and its cash flows for the year then ended.

## **GURDWARA SAHIB KAJANG**

### **NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2009**

#### **1. PRINCIPAL ACTIVITIES AND GENERAL INFORMATION**

The aims and objects of Gurdwara Sahib Kajang remained unchanged during the year and consist of the following:

- To propagate the Sikh religion amongst non-Muslims;
- To organise religious and social functions;
- To create affection, concord and friendship amongst members of the Sikh Community and the general public;
- To protect the religious rights of members of the society and Sikhs in general;
- To develop and maintain the Gurdwara and any other property used for the purpose of worship and fellowship;
- To co-operate and assist any other society or group with similar objectives;
- To own, develop and dispose immovable property as provided under rule 15 of the Gurdwara's rules.

The Gurdwara was registered on 17 August 1990 as a non-for-profit organisation.

The principal place of activities of Gurdwara is located at Allotment 5, Section 13, Jalan Raja Hishamuddin (Jalan Sungei Chua), 43000, Kajang, Selangor Darul Ehsan.

The financial statements are presented in Ringgit Malaysia.

The financial statements were authorised for issue by the Committee Members of the Gurdwara in accordance with a resolution of the Committee Members dated 14 March 2010.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### (a) Basis of preparation

The financial statements of the Gurdwara have been prepared under the historical cost convention unless otherwise indicated. The financial statements comply with applicable approved accounting standards in Malaysia.

### (b) Property, plant and equipment

Property and equipment are stated at cost less accumulated depreciation and impairment losses. The policy for the recognition and measurement of impairment losses is in accordance with Note 2 (f).

Freehold land is not depreciated as it has an infinite life. The straight-line method is used to write off the cost of the following assets over the term of their residual values over their estimated useful lives at the following principal annual rates:

Buildings	10%
Equipment	20%
Furniture and fittings	20%

The residual values, useful life and depreciation method are reviewed at each financial year end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The difference between the net disposal proceeds, if any, and the net carrying amount is recognised in the income statement.

### (c) Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents comprise cash in hand, bank balances, demand deposits and other short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### (d) Other receivables and deposits

Other receivables and deposits are stated at cost less allowances for doubtful debts.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### (e) Payables

Other payables are stated at cost which is the fair value of the consideration to be paid in the future for goods and services.

### (f) Impairment

At each balance sheet date, the carrying values of assets, other than financial assets and deferred tax assets, are reviewed for impairment to determine whether there is an indication that the assets might be impaired. Impairment is measured by comparing the carrying values of the assets with their recoverable amounts. The recoverable amount is the higher of an asset's net selling price and its value in use, which is measured by reference to discounted future cash flows. Recoverable amounts are estimated for individual assets, or if it is not possible, for the cash-generating unit.

An impairment loss is charged to the income statement immediately.

Subsequent increase in the recoverable amount of an asset is treated as reversal of the previous impairment loss and is recognised to the extent of the carrying amount of the asset that would have determined (net of depreciation) had no impairment loss been recognised. The reversal is recognised in the income statement immediately.

### (g) Financial Instruments

Financial instruments are recognised in the balance sheet when the Gurdwara has become a party to the contractual provisions of the instruments. The particular recognition methods adopted are disclosed in the individual accounting policy statements associated of each item.

Financial instruments are classified as liabilities or equity in accordance with the substance of the contractual arrangement. Interest, dividends, gains and losses relating to a financial instrument classified as liability are reported as expense or income. Distributions to holders of financial instruments classified as equity are charged directly to equity. Financial instruments are offset when the Gurdwara has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

### (h) Recognition of income

Subscription and other income derived are recognised in the income statement on a cash basis.

Interest income is recognised on the effective yield basis.

### 3. PROPERTY, PLANT AND EQUIPMENT

The freehold land refers to the vacant land held under HS(D) 75209 P.T No. 51266, in the Town of Kajang, District of Ulu Langat, State of Selangor with area measuring approximately 3,490.008 square metres.

The existing buildings of the Gurdwara which include the present Darbar Sahib and its auxiliary buildings were constructed in 1970 and the further enhancements were made between the years 1970 to 2002 including the building of the toilets and the fixing of air conditioners in the Darbar Sahib.

The costs relating to these buildings and equipment incurred up to the year 2002 have not been capitalised above as the books of Gurdwara were maintained on a cash basis until the year 2002 and such expenditure was charged out in the year it was incurred.

**4. CASH AND CASH EQUIVALENTS**

	<b>2009</b>	<b>2008</b>
	<b>RM</b>	<b>RM</b>
